Matthew Jan Monare

It is with great sadness that the RMAA has to announce the passing away of a dear colleague and good friend.

Many abattoirs will remember Matthew Jan Monare as the Slaughter Instructor who trained their slaughter operators practically on slaughter lines across South Africa.

Matthew has been employed by the RMAA since 1 May 2014 until his passing away on 14 February 2018 after a long sick bed.

He resided in the Hammanskraal area where he built his own home and took care of his family.

He will be remembered for his laughter, kindness and love for his family and friends.

We would like to extend our sincere condolences to his wife and children in this difficult time.

Clara Lenkwetse Mmakola

Clara Lenkwetse Mmakola has been employed by the RMAA since August 2007 until end January 2018.

Part of her responsibilities included ensuring the smooth operations in the Training Department as the Training Administrator

She is well known as someone who can handle a lot of pressure while always laughing joyfully under any difficult circumstances.

Her joyful positive attitude will be dearly missed by all who interacted with her.

We would like to thank Clara for her hard work and efforts during the past years and would like to wish her all the best in her new venture and pray that she will be blessed in the years to come.
