Abattoir Skills Training (AST) successfully applied for accreditation as a training course provider with **SAATCA** for the presentation of the Lead auditor's course, Food safety management systems, ISO22000.

The course is for learners wishing to perform second or third party food safety management system audits and is ideal for those wanting to perform food safety audits or regulatory audits based on the Meat Safety Act, or HACCP audits such as SANS 10330 and ISO 22000 audits. Candidates for the course need to have completed ISO22000 training or the RMAA HACCP course, which now includes ISO22000, prior to entering for this course.

The Southern African Auditor and Training Certification Association (SAATCA) was established to implement, administer and control a scheme for the certification of quality system auditors, lead auditors, and training course providers. SAATCA's mission is to recognize and satisfy the needs of stakeholders in Southern Africa and provide confidence to industry by setting criteria in line with National and International Standards to

ensure the competence of Management System Auditors and Product and Process Auditors and Management System auditing Training Course Providers. The first course was presented in September 2014.
