

# Anelich Consulting

Food safety solutions

Anelich Consulting brings you science-based food safety solutions according to latest international developments; the only type of food safety solution that is credible, cost-effective, defensible and of any sustainable value for your business.

Anelich Consulting was established in **January 2011** by Dr. Lucia Anelich, one of South Africa's best-known and experienced food microbiologists and food safety experts. She has a PhD in Microbiology and has over 30 years of combined experience in the food industry, academia, national and international organizations.

## Services offered:

Dr. Anelich consults and trains in the following fields:

- Foodborne Pathogens and Foodborne Disease
- Food Microbiology
- Food Safety and Hygiene
- Private Food Safety Standards and Related Fields
- Food Safety Regulations

**NEW!**

## **Listeria monocytogenes Training Course**

All you need to know **including:**

- ◆ Establishing science-based Microbiological Criteria\* to support your Food Safety Management System
- ◆ Testing protocols
- ◆ Prevention & Control

*\* Dr Anelich is the only South African invited to join the prestigious International Commission on the Microbiological Specifications for Foods (ICMSF). She has authored chapters on use of Microbiological Criteria and has trained on these in many countries as well as in South Africa.*
